### 13. Outside Assistance and Race Cut

13.1. Any outside assistance is prohibited, except in pit stops, except due to safety reasons or in order to help a rider to pull the machine out of mud, ditch, marsh or another obstacle on the course, and the rider is not able to do it by himself.

13.2. No course cuts are allowed. In case a rider happens to leave the course he must return to the course as close as possible to the place he left the course.

### 14. Scoring

14.1. The result of a rider is determined by the finish time and the number of laps he has completed.

14.2. The finish time is the time when a rider has crossed the finish line after the finish flag is raised for a particular class, if the rider has finished within the control time. The finish flag is shown after the time mentioned in clause 11.2.

14.3. The control time depends on the specifics of the course and is equal to the doubled best lap time of the leading rider in a class.

14.4. Race results for the finished riders are based upon the order of crossing the finish line.

14.5. Places obtain and points score only the riders who have completed at least 50% of the laps by the leading rider in the class. If any of those riders does not finish the race, he takes place and scores points after the riders who have finished, according to the number of completed laps. If two riders have not finished and have equal number of completed laps, the total time of completing those laps is taken into account in determining the result.

14.6. Individual and overall results of each competition are determined according to the table below:

Place	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.	11.	12.	13.	14.	15.
Points	20	17	15	13	11	10	9	8	7	6	5	4	3	2	1

### 15. Club Team Cups

15.1. Latvian Club Team Cup (LCTC) takes place in parallel to the Latvian Individual Cup, with participation of riders of the following classes:
