5.1. In order to participate in the competition, at registration the rider must present a valid motorsport license, the federation's permission to participate in this competition and a valid motorsport insurance. Foreign riders must additionally present international travel insurance with repatriation included.

5.2. If the rider does not have a valid license, a doctor's permission to participate in motocross competitions and a valid motorsport insurance must be presented at registration. Foreign riders must additionally present international travel insurance with repatriation included.

5.3. It is categorically forbidden to participate in the competition under the influence of alcohol and other intoxicating substances. In case of suspicion, the judges have the right to conduct an appropriate examination.

6. Starting numbers:

6.1. Starting numbers are announced at the pre-registration and clarified on the day of the competition at the registration.

6.2. The front and side numbers of the motorcycle must match the number on the back of the rider's shirt.

7. Competition schedule:

Thursday, **July 31st:** Registration of participants and technical acceptance.

Friday, **August 1st:** Registration of participants, technical acceptance, free practice and qualification. (Riders choose their place at the starting gate according to qualification results).

Saturday, **August 2nd:** Warm up and 3 races for each class.

Sunday, **August 3rd:** Warm up and 3 races for each class.

8. Track:

8.1. The track must meet the requirements of the LaMSF Motocross Regulations.

8.2. Before the competition, a track acceptance act is drawn up.

9. Safety rules:

9.1. The safety of participants and spectators must comply with the LaMSF Motocross Rules.

9.2. Riders and spectators are personally responsible for observing the rules of environmental protection and their own safety.

10. Rating:

10.1. All results are determined by the order of crossing the finish line.

10.2. In each heat race, riders score points according to their place in accordance with the point system indicated below:

| | | | | | | | | | |
|--------------|------------|------------|------------|------------|------------|------------|------------|------------|------------|
| Place | 1. | 2. | 3. | 4. | 5. | 6. | 7. | 8. | 9. |
| Points | 25 | 22 | 20 | 18 | 16 | 15 | 14 | 13 | 12 |
| Place | 10. | 11. | 12. | 13. | 14. | 15. | 16. | 17. | 18. |
| Points | 11 | 10 | 9 | 8 | 7 | 6 | 5 | 4 | 3 |
| Place | 19. | 20. | | | | | | | |
| Points | 2 | 1 | | | | | | | |

10.3. The overall results of the competition are determined by taking into account the sum of the points won as a result of six races. The rider with the highest number of points takes the highest place in the overall standings. In case of equal points, the higher place is taken by the rider who has taken a higher place in the last - sixth race of the competition.

11. Awarding:

The first three place winners in all classes are awarded with trophies, champagne and prizes provided by supporters.

12. Financial regulations:

12.1. Competition entry fee 150 EUR.

12.2. The competition entry fee is paid when registering for the competition.

13. Protests:

13.1. Protests about the results must be submitted in writing no later than 20 min. after the official announcement of the results. Protests must be accompanied by a security deposit of 50 EUR. If the protest is satisfied, the protesters money is returned, otherwise the money stays with the organizer.

13.2. If the examination of the protest is related to the disassembly of the engine, then the protest must be submitted in written form, showing the point of violation, before the end of the race of a specific class (the end of the race is counted from the moment when the first rider has finished). In this case, the protester pays a security deposit of 500 EUR. If the protest is satisfied, the protesters money is returned, otherwise the money stays with the organizer. Any refusal to submit the engine for dismantling qualifies as an admission of fault and means that the protest is upheld.

13.3. In the event of a protest related to the non-compliance of the engine cubic capacity with the regulations in the specified motorcycle class is approved, the rider is disqualified.

14. Changes:

14.1. The number and sequence of events may change depending on the number of participants and weather conditions.

14.2. If the number of riders in one of the classes exceeds 40 riders, then according to the qualification results, the class is divided into two separate classes - Pro and Amateur classes.

14.3. Any changes are clarified at the meeting of participants.
